

## **DAVID STILL**

### **EXECUTIVE DIRECTOR**

David is serving as the Executive Director for the Suwannee River Water Management District in Live Oak, Florida. Prior to his appointment in February 2008, David served as the District's legislative liaison, interacting with Florida House and Senate members and Governor's staff on behalf of the District. He reviewed legislation with senior District staff members, assisted in the development of state water policy, and continues to foster working partnerships with elected officials at the municipal and county levels.

David earned his Bachelor of Science and Masters of Engineering degrees from the University of Florida in 1982 and 1984, respectively. His major field of study was hydraulics and hydrology.

David is a registered professional engineer and is a member of the Florida Engineering Society, Florida Rural Water Association and American Water Resources Association.
