

ITB 16/17-011 AE

Construction of the Edwards Bottomland Wetland Mitigation Project

Two firms submitted responses to the ITB, as shown below:

Firm	Firm Location	Amount
Barco Duval	Jacksonville, FL	\$5,450,000
R & E Site Development	Lake Butler, FL	\$2,636,557.59

The Selection Committee met at 10:00 a.m. March 8, 2017 to review bids and select the lowest responsive and responsible bidder for this project. After discussion of the bids, the Selection Committee unanimously chose to reject the bids since both were considerably over budget.

The District will reassess the project design and re-bid the project.
