

## Proclamation

**WHEREAS**, water is a basic and essential need of every living creature; and

**WHEREAS**, Water Management Districts and \_\_\_\_\_ are working together to increase awareness about the importance of water conservation; and

**WHEREAS**, \_\_\_\_\_ has designated April, typically a dry month when water demands are most acute, Florida's Water Conservation Month, to educate citizens about how they can help save Florida's precious water resources; and

**WHEREAS**, \_\_\_\_\_ has always encouraged and supported water conservation, through various educational programs and special events; and

**WHEREAS**, every business, industry, school and citizen can make a difference when it comes to conserving water; and

**WHEREAS**, every business, industry, school and citizen can help by saving water and thus promote a healthy economy and community; and

**NOW, THEREFORE**, be it resolved that by virtue of the authority vested in me as \_\_\_\_\_ of \_\_\_\_\_ do hereby proclaim the month of April as

### Water Conservation Month

\_\_\_\_\_ Florida is calling upon each citizen and business to help protect our precious resource by practicing water saving measures and becoming more aware of the need to save water.

---

This year marks the 23<sup>rd</sup> anniversary that April was established as Water Conservation Month in Florida. The District, along with the American Water Works Association are teaming up to promote April as Water Conservation Month. Our District Governing Board signed a proclamation recognizing April as Water Conservation Month.

A statewide list is being compiled to identify all of the areas that joined this effort. We will be recognizing your community on our website and social media.

- The Five Water Management Districts
- The American Water Works Association
